Boma & Fire-Pit Area
 This exceptional space is ideal to hire for day visitors, bigger groups and/or for small gatherings and functions. The covered boma area is kitted with couches, plug points and a fire-place, and the large, round, sunken fire-pit, is great for braais, potjies or just for gathering around a massive fire... with a guitar... under the stars... what a great idea! Come rain or shine, sun or stars, happy memories are ready to be made.

Holstein Ablutions
 These camping ablutions become a real off-the-grid experience with a 'Rocket' donkey boiler for heating water, and a wood stove for cooking the old-fashioned way. They include a lovely washing up area, electric points, counter space, and braai. This area is also available for hire.

The Pavilion
 This quaint little outdoor structure, with views of the garden, swimming pool and mountainside, is our favourite summer spot for serving breakfasts.

Playground
 Swings, jungle-gym, trampoline, see-saw, and a roundabout! Let the children play away their extra wriggles. Happy noise hours are between 8am and 9pm. Children, 8 years and younger, should be accompanied by an adult.

Games Room
 Table tennis, darts, Pool, puzzles and board games. Please keep a sharp eye on those puzzle pieces and don't let the board games wander out the dining hall.

Hatchling Aviaries
 The baby chicks are kept safe and sound in these secure aviaries. (Please admire from the outside only)

Broiler Run
 Our young goslings and ducklings are sheltered in this area before they're strong enough to face the big wide world.

Isaac's Dam
 The home of our ducks and geese. Bring the children for feeding times at around 7:15am and 4:45 pm.

Sunrise Dam
 The biggest dam in the Eingedi Valley is named for its notable sunrise reflections. Fishermen can relax on the dam walls as they haul in the barble and carp catch of the day. (NO release please!)

Vegetable Garden
 Where most of our delicious heirloom, non-GMO fruits and veggies are grown. Walk through and have a look. Fresh, in-season vegetables and home-made preserves are available for sale at reception.
